

A life-changing encounter with Jesus the Risen Lord---what could be more important than that? Camp Marshall exists to enable young people to meet Jesus.

The scriptures hold up the promise that the Risen One will be present in Word and Sacrament, in prayer and Christian community. These are the very things that happen during any given day at camp.

Add to this the beauty of the Flathead Lake, the formation of life-long friendships, the chance to fish and swim and play games, and you have the recipe for a wonderful week in the life of any young person. Have you ever met a youth who has not come home better after being at camp?

Camp Marshall Sunday is an important way for the good people of this diocese to support the ministry of our camp. Please be generous.
